

SCREEN  
PRINTING

# HIGHEST EXPERTISE IN ITS CLASS.

Top fabric manufacturers worldwide trust our high-performance monofilaments to deliver the consistency, precision, and reliability essential for superior screen printing results. We understand that your reputation depends on the quality of your output – and that's why we're committed to providing monofilaments that meet the highest standards, every time.

What sets Monosuisse apart is our partnership approach. We work closely with you – listening, learning, and innovating together – to ensure our products not only meet your needs today but also help you stay ahead in a rapidly evolving market. Your challenges shape our solutions.

Manufactured in state-of-the-art facilities and backed by globally recognized quality assurance systems, every Monosuisse product is engineered to help you boost productivity, reduce downtime, and deliver flawless results with confidence. Our monofilaments are renowned for their constancy in yarn diameters and the exceptional stability of our colored yarns – ensuring dependable performance even under the most demanding printing conditions.

## Features

- ✓ Industry leader of quality monofilaments with unmatched diameter control
- ✓ Best in class yarn uniformity of physical parameters
- ✓ Customizable yarn properties to fit our customers process
- ✓ Raw materials: PA6.6, PET
- ✓ Recycled polymer options

## Additional services

- ✓ Measured yarn length for warp
- ✓ Customized high quality products
- ✓ Spun-dyed colors available

## What else do we offer?

- ✓ NCAs & RAPIDS
- ✓ Laboratory services
- ✓ Tailor-made solutions
- ✓ R&D collaboration
- ✓ Production flexibility to meet required lead times
- ✓ Stock management

## How do we help your business?

- ✓ Knowledgeable team that understands your production and development needs
- ✓ Production flexibility to help you meet timely customer demands
- ✓ Our long term experience will support you with your developments

## How do we solve your problems?

- ✓ Dedicated production capacity
- ✓ Building a partnership with the market leading yarn suppliers in screen printing
- ✓ Exclusivity agreements
